Subject: Saltwater/Brine spill in Ft Berthold

---

Hi Alfreda, In our management meeting today, Darcy mentioned that you were heading up the response communications with Ft Berthold on the saltwater/brine/produced water spill of 1 million gallons. Can you please include me on these discussions, so I can make sure that we have the appropriate involvement and role? We generally like to follow up on these incidents by gathering information and determining if enforcement is appropriate.

Thank you

Gwen
